

LOSS CONTROL, HEALTH, SAFETY AND ENVIRONMENTAL POLICY

Objective: Our loss control management approach is based on the identification, evaluation and solid controls of risks to people and the environment in all phases of our business. The health and safety of our workforce and the communities in which we operate is our first priority.

Application: All employees and contractors.

Strategies:

- Develop an institutional culture in risk management for health, safety and the environment.
- Be responsible for our safety and the safety of those around us.
- Comply with the procedures established by our company for risk management.
- Efficiently use natural resources in all projects developed in the communities where we operate.
